

Recycling around the Christmas tree...

Have a happy holiday!

After the presents are unwrapped and the food is eaten, the Christmas holidays often leave us with a lot of rubbish – or is it recycling?
Here's a guide to making sure it all ends up in the right place.

Boxes
Fold down boxes to ensure they fit in your recycling bin - pizza boxes must go into your rubbish bin.

Don't be fooled by the recycling triangle
Not all items that have this symbol are recyclable in Hampshire. So, if an item or bag says "please recycle" it doesn't mean it can go in your recycling bin.
